## Morning reads and Mystery reader

It was good to see parents at the morning reads this week, some parents said they did not see this notice which was in the newsletter the previous week, on Tapestry and also in the English newsletter sent out earlier. Here is the information and the times again.

We look forward to seeing you then.

We want to make more opportunities for all the children to understand the importance of reading and develop their love of stories. We are re-instating our morning reads which we stopped over Covid time.

Reception will be Wednesday morning 8.45-9.00am

Year 1 will be Tuesday morning 8.45am-9.00am

Year 2 will be Thursday morning 8.45am- 9.00am

These will start in the week beginning 16th January.

This is a chance for you or another adult to come in for 15 minutes and read with your child. You are welcome to bring a toddler with you but they will also need to be sitting with you and reading. Please come to the classroom door as usual.

### **Mystery reader:**

Please contact your class teacher if you would like to come into school and be a 'mystery reader'. This is a fun way for you to get involved with reading in school. The children do not know who is coming and try to guess. All you do is read a book of your choice to the children. There is no specific day so contact your child's teacher through Tapestry and volunteer.

## Multisports event for year 1 children.

We had a fantastic time at the Multi Sports Festival on Wednesday. We developed our skills of throwing, catching, travelling, co-ordination, timing and balancing. We hope you like our photo.

## Celebration Assembly

### **Stars of the week**

Great job!

## LOST PROPERTY

The lost property box is full and overflowing. If your child has lost any uniform, water bottles or outdoor clothing, please do come and have a look!

## The Vehicle event for the nursery and reception classes

What a lovely afternoon for the nursery and reception children last Thursday when a range of vehicles arrived on the playgrounds for them to look at, sit in and play with. The emergency vehicles were very loud with their sirens and 'blues and twos' and the children enjoyed a tractor, vintage cars, camper vans and motorbikes.

They asked questions of the adults and enjoyed listening to the owners talk about them.

Thank you to all the parents and grandparents who brought their vehicles in for the children.

## The writing workshops

The workshops were well attended and feedback from parents was very positive. Comments that they were informative and useful, both in terms of knowing the teaching side and the activities that children did. Thank you to the teachers for taking the time to plan and deliver these.

*Have a good weekend everyone.*
