20th: Last day of term 1.10pm finish

### January 2023

5th January: children return to school

## Collecting your children from Year 2

When you are collecting children from Year 2 at the end of the day, please make sure that you come into the fenced in area so that you can be seen clearly by the teacher who is sending your child/children out.

If you remain outside the school gates, we are unable to see you clearly due to the volume of parents and children in front.

**For safety, children will not be sent to parents outside the gates.**

Thank you.

## Poppies

Poppies continue to be on sale for all of this week.

On Friday we will have a 1 minute silence in the school to mark 11th November, Remembrance day.

Children will be learning about this day and poppies as part of their curriculum this week.

*Lest we forget.*

## Badminton

There are still places for Badminton club run by FITC. This is a fabulous opportunity for children to learn the basics of this sport and to develop hand/eye co-ordination. The club is subsidised by the school so please register your child if you are interested asap. These spaces are for year 1 and 2 children.

## Parent consultations

It was good to see so many of you at Parent Consultations last week. It makes a big difference to your child's learning if teachers are able to discuss progress with you and to let you know next steps for your child. It is also a good opportunity for you to share any concerns you have with the classteacher.

It was good to hear how happy you are with the teaching and learning and how happy your children are at school, as well as the positive comments re the staff and the useful leaflets with the learning expectations and next steps being available.

Some parents were not able to make the appointments and we understand this, thank you for making an alternative appointment.

However, we also had a number of parents who did not attend their appointment. Please make sure you inform teachers of this beforehand as they spend time preparing for these appointments, and if there is something urgent or very specific they wish to discuss with you this is the best time. It is not always possible to reschedule.

## Nursery

There is no parent consultation for the nursery children. However, this week beginning 7th November parents are invited to choose one session where they will be allowed to stay and play with their child. You do not need to indicate which session. Just come as normal with your child and stay with them to play until 9.30am.

## Information from the INSA

The tea towels which show the Infant children's pictures that they drew of themselves in school are now available to order!  
These make lovely gifts and keepsakes.  
Please use the link below to order;

<https://www.pta-events.co.uk/hatfieldpeverelinfantschoolassociation>

**Orders need to be in by 10th November in order to be available for Christmas**

## Pumpkin Competition

Thank you to everyone who took part in the pumpkin decorating competition last week. The INSA have raised £72.27 towards school funds which is great!

The winners were as follows;

Nursery School: Sienna R  
Reception: Orion P  
Year 1: Maddie B  
Year 2: Dylan W

Well done to all the children who took part, they made such a wonderful display at the front of the school.
