

# Hatfield Peverel Infant and Nursery School

Newsletter 1 Autumn 2022  
9th September.

## Celebration assembly

Each week we have a celebration assembly and give awards for a variety of things, as well as celebrating birthdays. We award stars of the week, lunchtime behaviour award, attendance trophy, ERIC points and any sport achievements.

We also encourage you to let us know about any achievements from home that you would like to share. Email us or send in a Home ERIC. The home ERIC sheet is attached to this email and are also available from the office.

We will start ERIC points, attendance trophy and lunchtime awards next week.

### **Stars of the week this week 9th September.**

Diamond Class: Harper-Mae      Sapphire Class: Amelie  
Emerald Class: Niah              Topaz Class : Theo

Stars from Reception will start next week.

## Reading and phonics workshops.

These will be held in school for any parents who are able to attend during the school day. The purpose of this is to give you insight into how we teach reading and phonics and the types of activities that you can emulate for practice at home, to support your child.

You will see a short 10 minute demonstration of teaching and then you will be able to take part in reading and phonic activities with the children.

For parents unable to attend a powerpoint can be sent to you.

This workshop is a teaching session and held in the classrooms and therefore toddlers are not allowed to accompany you.

Please come to the school via the main reception.

Dates are below.

Reception phonics and reading workshop Tuesday 4th October 2.15pm

Year 1 phonics and reading workshop Wednesday 5th October 2.15pm

Year 2 phonics and reading workshop Thursday 6th October 2.15pm

## **Big cat ebooks**

Due to having reduced admin capacity this week we have not been able to access the site to set up class groups.

This will hopefully be up and running by the end of next week in order to allocate books for practice.

## Volunteers to help in school

If you would like to help in school please call the office and leave your details.

We need people to support with reading, art, sewing, games and other activities.

The more practice opportunities children have to read, the more progress they will make. Reading is the bedrock of all learning, so even an hour of your time will be valuable to us.

You will need to have a DBS check, which we can organise through school.  
We look forward to hearing from you.

## Reminders

### Snacks

The government provide children with snack of fruit or vegetables. The children do not need to bring snack.

### Water

Please ensure you are sending water in the children's bottles. Juice and flavoured waters are not allowed.

### Book bags

Please send your child with a book bag not a rucksack. The peg space is so limited.

### Uniform

Children should be wearing plain navy or black tracksuits or shorts to school for PE and a coloured t-shirt of the team they are in. No hoods or logos please. Reception parents your child will be given a PE shirt by half term.

Children should **not** be wearing earrings.

Thank you for your support of our school rules.

## Pick up time.

Could I please ask you to wait a little distance from the classroom doors and keep your toddlers with you. Most days at the end of the day, children are enjoying stories and quiet time before getting ready to come out.

Conversations and noise travels easily and many doors and windows are open.  
Thank you

## Uniform

We have plenty of second hand uniform and unclaimed lost property jumpers and cardigans from last term available.

All washed and ironed!

A reminder to please label all uniform. We already have a lost jumper in the box with no name!

**Contacts:**

Please ensure your contact information is up to date.  
Safeguarding rules mean we must have at least 2 emergency contact numbers for each child.  
Thank you

**Tapestry**

Every class has a tapestry account which will be up and running by the end of next week. The office staff are currently uploading new class groups and parent emails to the platform.  
Class teachers will share classwork and experiences with you.  
Please check this regularly for homework challenges, class memos about upcoming events or learning specific to your class as well as the upcoming learning focus every two weeks.

**Have a lovely weekend everyone.**
